

**Wrap-up event for our community project:**

## **The War in Plymouth: Destruction and a New Beginning**

We are a Plymouth social enterprise called *The Word Machine Community Interest Company* and over the past two years we have been working with many wonderful volunteers on an oral history project, supported by the Heritage Lottery Fund. We have collected people's memories of Plymouth during the Blitz and the ten years from 1945 to 1955 when 15,000 new homes were built in brand new residential areas.

We have produced a comprehensive history of our city that is to be carefully preserved for future generations at the Plymouth and West Devon Record Office.

We would like to invite you to join us and Fotonow CIC, and do bring a guest with you if you wish, to celebrate the completion of this project and the publication of the book containing interviews and photographs:

**Friday 27<sup>th</sup> November, 2015,  
at 3pm, St Saviour's Hall, Lambhay Hill,  
Barbican, Plymouth.**

(opposite the Citadel gates)
